Subject: SYLVANIA Automotive (OSRAM) California Prop 65  
To: Channel Partner  
From: SYLVANIA Sales & Marketing

OSRAM conducts its business responsibly and in compliance with the laws and regulations of all the countries where it does business. Accordingly, in anticipation of the new Prop 65 labeling requirements, OSRAM has retained legal counsel & evaluated OSRAM products against the updated Prop 65 requirements, which will become effective August 30, 2018. The following products were determined to require changes to our packaging, they will be implemented in a timely manner.

- 1) Headlight Restoration Kit and UVB clear coat product
- 2) High intensity discharge (HID) - Mercury containing products (D1S/D1R/D2S/D2R)
- 3) Novita Technologies product containing Lead

Examples of the labeling on the packaging are below:

We will supply appropriate information through PIES files, along with updated packaging imagery.

Sincerely,

Brian C. Noble
